PhD Student Council Meeting – REPORT

1. Discussion about changes regarding the regulations of PhD Student Council was moved to the next meeting.
2. PhD Student Code of Ethics was not officially introduced as it contains regulations that do not apply to the specific nature of the study program at Nencki Institute of Experimental Biology.
3. During the meeting with the Director of our Institute we discussed the events happening this year (for 100 years of Nencki Institute), the issues connected to science popularization, a possible big integration meeting of all PhD students that may take place at the Hydrobiological Station in Mikołaki, etc.
